Success stories

- 20% of the participants from 2023 ECBA study group have received their ECBA certificate within 3 months of completing study group

“we discussed the first few topics from the BABOK from planning to elicitation and collaboration. It was very insightful to discuss these subject matters with experts to broaden our knowledge. I would not have had the same understanding and coherence if I hadn't gone deeper by discussing these topics.”

-Maaïke van Velthoven, 2023 ECBA study group-
